**RE: PROPOSED DETACHMENT OF GOLETA WEST SANITARY DISTRICT**

Dear Mr. Braitman:

The Goleta City Council, on February 3, 2009, authorized the filing with the Santa Barbara Local Agency Formation Commission of an application to detach properties located within the City limits from the Goleta West Sanitation District. Accordingly, please find enclosed the City's Application for Detachment with supporting documents, a certified copy of Resolution No. 09-06, the staff report supporting the resolution, and a check in the amount of \$2,575.00 representing the deposit of processing fees.

The City appreciates your expeditious processing of this matter. We believe it would be of convenience to the affected property owners if the Commission would be able to meet in the City of Goleta to consider this application. If we can assist in making an appropriate venue available to you, please let us know.

At the request of the District, the City Council has agreed to further meetings and negotiations to determine if there is a preferable approach which will accomplish the goals of detachment. Accordingly, we respectfully request the opportunity to revise our application should such improvements be found.

If you have any questions, please feel free to contact me.
